8. SITE VISIT AROUND BANGKOK

Bangkok, the capital of Thailand, is a cosmopolitan city that offers a fascinating contrast between old temples and gleaming high-rise modern structures, as well as bustling markets, large retail malls, food vendors, and hip cafés and restaurants. Whether Bangkok is your primary or secondary destination for travel, we can assure you that there will always be something to do and see. The Skytrain (BTS) and underground (MRT) systems connecting vast areas have made it much simpler to navigate this dynamic metropolis.
